IT IS WITH PLEASURE
THAT WE DEDICATE
THIS 1966 ISSUE OF THE
TARGET TO · · · · · ·
MISS ANN BLUMERT
A DEVOTED TEACHER AT
WILLARD JUNIOR HIGH
SCHOOL FOR THE PAST
THIRTY THREE & ONE
HALF YEARS · · · · · ·

PRINCIPAL'S MESSAGE

1966 MARKS THE 50TH ANNIVERSARY OF WILLARD JUNIOR HIGH OF BERKELEY. IT WAS NAMED FOR ONE OF THE GREAT WOMEN OF AMERICAN HISTORY, FRANCES E. WILLARD. SHE WAS AN OUTSTANDING EDUCATOR, A WORLD TRAVELLER, A CONSTANT CAMPAIGNER FOR WOMEN'S RIGHTS, AND A LEADER IN THE TEMPERANCE MOVEMENT.

WILLARD WAS THE FIRST JUNIOR HIGH IN BERKELEY, AND THE FIRST OF ITS TYPE IN THE UNITED STATES. IT WAS AUTHORIZED ON DECEMBER 21, 1909, AND OPENED AT THE MC KINLEY SCHOOL IN JANUARY, 1910. IT WAS MOVED TO ITS PRESENT SITE IN 1916 AND NAMED IN HONOR OF MISS WILLARD.

EDUCATION IS CHANGE AND WE LIVE IN A TIME OF EXCITING CHANGE. IN THE FALL OF 1966 WE WILL BE A TWO-YEAR JUNIOR HIGH OF GRADES SEVEN AND EIGHT. WE LOOK FORWARD WITH MUCH ENTHUSIASM TO IMPROVEMENT OF INSTRUCTION AND BETTER WAYS TO STIMULATE OUR WILLARD WARRIORS IN ALL ASPECTS OF EDUCATION.

WE HONOR MISS ANN BLUMERT WHO HAS TAUGHT AT WILLARD SINCE 1933 AND RETIRES THIS YEAR. WILLARD HAS HAD SEVEN PRINCIPALS SINCE ITS INCEPTION AND SHE HAS TAUGHT WITH SIX OF THEM. HUNDREDS OF HER STUDENTS, HER STUDENT TEACHERS, AND HER FELLOW TEACHERS JOIN ME IN SAYING "WELL DONE" TO HER.

AS WE SEND ONE THIRD OF OUR STUDENTS TO BERKELEY HIGH AND ANOTHER THIRD TO WEST CAMPUS WE SAY, ALSO, "WELL DONE" AND WISH THEM THE BEST AS THEY SEEK NEW ADVENTURES IN LEARNING.

TO OUR PRESENT SEVENTH GRADE, WE OFFER THE OPPORTUNITY TO MAKE WILLARD THE FINEST AND BEST SCHOOL IN EVERY WAY POSSIBLE.

TO ALL OF OUR STUDENTS, FORMER AND PRESENT, AND TO ALL OF OUR TEACHERS, STAFF MEMBERS, AND PARENTS, WE OFFER THE CHALLENGE GIVEN HER STUDENTS BY FRANCES E. WILLARD: "THE WORLD WANTS THE BEST THING - IT WANTS YOUR BEST!"

SINCERELY,

ARTHUR V. SHEARER

THE PRESIDENT'S MESSAGE

THOUGH IN SEVERAL WAYS THIS YEAR HASN'T HAD SOME OF THE THINGS THAT MANY OF US HAVE HOPED FOR - I STILL THINK THAT ALL OF US CAN BE PROUD OF ATTENDING WILLARD IN ITS LAST YEAR AS A 3-YEAR SCHOOL.

FIRST, THERE IS THE ANGLE THAT ALL OF US HAVE HAD A SPECIAL PART IN THE LAST YEAR OF THE "OLD WILLARD": THE NINTH GRADERS ARE THE LAST NINTH GRADE THAT WILL EVER BE AT WILLARD, THE EIGHTH GRADERS WILL BE THE FIRST GROUP FROM WILLARD TO BE AT WEST CAMPUS, AND THE SEVENTH GRADERS, NEXT YEAR, WILL BE THE ONLY REMAINING CLASS THAT ATTENDED THE 3-YEAR WILLARD.

SECONDLY, THIS "LAST YEAR" HAD MANY GOOD THINGS; AND EVEN IF YOU, PERSONALLY, DID NOT TAKE PART IN THEM, YOU CAN BE PROUD OF YOUR FELLOW-STUDENTS WHO DID. TO MENTION THE NEW CONSTITUTION, THE SUGGESTION BOX, THE CAN DRIVE, THE NUTRITION GROUP, THE BOYS WORK GROUP, THE SCHOOL CLEAN-UP, AND THE BIG OPEN HOUSE NIGHT IS TO MENTION JUST SOME OF THE REALLY GREAT THINGS THAT WILLARD STUDENTS DID THIS YEAR.

SO, FROM BOTH ANGLES, THIS YEAR IS SOMETHING ALL OF US CAN AND SHOULD REMEMBER AND BE PROUD OF.

50 YEARS AGO...

THIS EDITORIAL was written in 1916 by W. B. Clark, principal. It was the first semester of Willard's existence.

The **privilege** of being listed as a charter member of an organization is a distinctive one. A sense of honor is attached thereto that is denied those who join after the time for enrolling such members is expired.

Those of us who have our names on the register of the Frances Willard School for the first term of its existence are the charter members of an institution that is destined to play a very important part in the educational life of the city of Berkeley, and with this opportunity comes the responsibility to so order our affairs that the traditions that shall become a part of the school shall be worthy of our heritage. YEAH

It is my purpose in this article to mention three important traditions that we should incorporate early into the life of the school, and to indicate briefly some of the ways by which these traditions may be aquired. OH, YA.

1. First-- We must have a standard of scholarship that shall be second to no other intermediate school in the country. How shall we acquire it? If we can cultivate a habit of self-reliance, and so exercise it that, when the time comes to give the results of our efforts, we have that feeling that what we give is the result of our own honest endeavor, there will be no fear on the part of any one that our scholarship standard is going to be anything but first quality.

2. Second-- We should have a high standard of school citizenship. The people of Berkeley have dealt generously with us in establishing the Intermediate plan. They have housed us in a beautiful building. Let us give them an adequate return by jealously caring for our building so that in the years to come it shall not show traces of willful desecration or careless neglect. Let its attractiveness be enhanced by reason of our stewardship. YES

3. Third-- We should develop the **proper** kind of school spirit that is cheerful in defeat as well as in victory, a spirit that accepts thoughtfully the counsel of parent or teacher even though such counsel may be contrary to our own selfish desires, a spirit that places honor above personal advantage. These are a few of the characteristics of school spirit we ought to establish.

AFFIRMATIVE

FRANCES E. WILLARD

If you didn't know (and you probably didn't) who Willard was named after, now is a good time to find out. DUH

Frances Willard was born in Churchville, New York, on September 28, 1839. Her childhood home was an inspiration for the rest of her life. Her family later lived in Ohio and Wisconsin.

Frances was taught at home until whe was eighteen, when she entered Northwestern University, from which she graduated. She then became a teacher. After

many years, Francis was elected president of Evanston College for Ladies. Miss Willard was the first woman in the world to hold this post.

In 1873, this college became a part of Northwestern. But Francis resigned her post as a dean of girls because she disagreed with the president's ideas. So she traveled around the country as a lecturer, and stood before more than four thousand audiences during her career.

Frances Willard was a great educator and lecturer, with a moral courage and a will that never failed. But all her gifts and abilities were used with one goal in mind, to make home brighter and happier for all children.

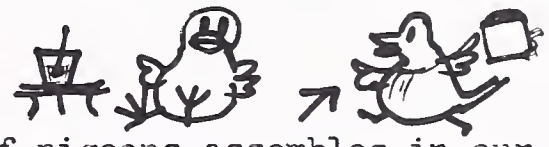
WILLARD THROUGH THE AGES

1916

The boys wore knee pants, but the girls never showed their knees
Latin was taken in the seventh grade by everyone
February 16 was Francis Willard Day. So many traditions have died!
There was grass on the terrace.
The Latin classes entertained the school at assemblies by chanting nursery rhymes in Latin
The glee club was mixed boys and girls
Called Willard Intermediate School
The baseball team got all dressed up in suits and ties for their picture. And they crossed the bats in front!

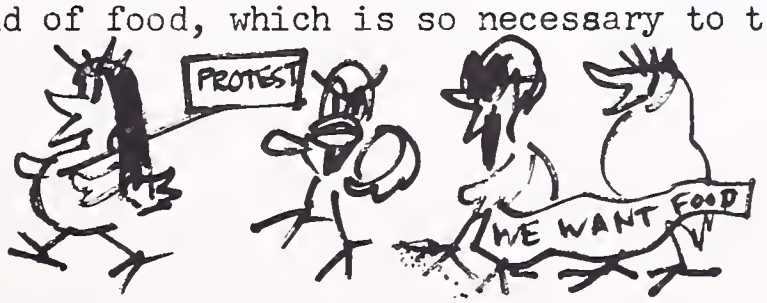
WWI

Oh, so patriotic!
All the class pictures taken in front of an American flag
April 18, 1918:



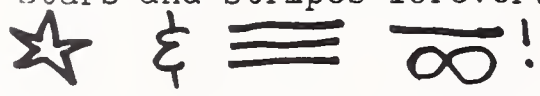
Early every morning a flock of pigeons assembles in our school yard and makes a dainty breakfast of breadcrumbs, pieces of cake, and even whole sandwiches. This is a very sure sign that the best efforts are not being made to conserve food. Crumbs are all right, no waste that can be helped there, but when whole sandwiches are thrown away simply because some boy or girl "doesn't like that kind," something must be done.

There are three solutions, to eat the sandwiches, to take a smaller lunch, or to be sure that one is taking the kind of sandwiches that he likes. Pigeons need to be fed, but not on this kind of food, which is so necessary to the winning of the war.



DEC. 1918

Victory number!
Stars and stripes forever!



DEPRESSION

It didn't seem to have much effect on the students
Boy's glee wore bow ties
Student court met only once in two weeks
Separated girls and boys in graduation pictures
The Student Court system was abolished in 1929:

When I first came to Willard, I thought how conservative and old-fashioned a school it was. When I talked with boys from other schools, I heard of the vast number of student offices and positions that their schools offered to the ambitious fellow. It seemed to me that their "Lord Chief Justices" and "High Chief Clerks", etc. constituted the true self-government idea. Why was it that Willard was backward in this?

Since then, I have learned more of Willard's history. Under its former name of McKinley School, it was the first Jr. High in the world! It is interesting to note that the idea of our Junior High school is being copied throughout the United States.

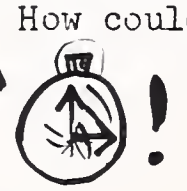
Willard originated the idea of student government and courts in junior high schools. The traffic system, together with the student court and council, required so much time to operate, however, that a joint meeting of the faculty and student council was called to revise the system. In 1923, our present constitution was written. 1923

The student courts used to meet for an hour about twice a week. Whereas, before, an offender had to be laboriouslytried and sentenced, his name is now simply handed to Mr. Clark by the trafic officer. The matter is settled more quietly, sensibly, and efficiently, and is disposed of immediately.

In the Bay Region, many schools have followed our former student court system. But our present method of handling this question is far preferable to the clumsy and long drawn-out court machinery that was used at McKinley. The students now use their time for recreation or study instead of staying after school to sit monotonously in court.

Gordon Griffiths

Girls wore modest black gym clothes with black tights covering their legs. How could they change in eight minutes?
They had girl traffice



!

WW II

Here we go with the patriotic bit again!
Willard seemed to have contributed quite a lot to the war effort. The Red Cross was a booming organization, and many students were growing Victory gardens.

The spirit of the students in:

1918

THE WORLD'S WAR

A mean old Hun
With a great big gun
Started his men to Paris on the run.
The Belgians held them back
Until the Allies got on their track.
They fought for three years
But couldn't drive them back.
Then the Yanks were called across
And a great many men were lost,
But the Huns were put to flight
And the Armistice signed all right.

Dorothy Barringer

1943

FOR VICTORY

While the enemies of mankind
Call the hosts of hate to war,
And the reign of terror threatens
Freedom's flag on every shore,

Uncle Sam stands strong and steady
Through the bitter storm and strife
To preserve our loved traditions
And our blessed way of life.

Let us then with faith and courage
Face the task that's to be done,
Till our enemies are vanquished
And our victory is won.

George Kelly

1966

A shot is heard
A soldier lays dead
A puddle of blood
Surrounds his head.

He didn't want to fight,
He didn't want to kill,

But loyalty kept him from
Going over the hill.

No, he did't want to fight,
And he did't want to kill,

But yet these wars continue to exist.
Is man so very blind,
Or does he pretend not to see
That this man died for liberty,
For you and me and the land of the free.
